**FOR IMMEDIATE RELEASE**

**Douglas Elliman Welcomes Top Producer Ronnie Diamonde to the Firm**

***Dual-licensed in NYC and the Hamptons – Diamonde Joins Elliman at 111 Fifth Avenue***

**New York, NY (February 5, 2019)** – [Douglas Elliman Real Estate](#), the third-largest residential real estate brokerage company by sales volume in the United States, is pleased to announce that Ronnie Diamonde has joined the firm. A consistent top producer, ranked in the top 1% of 64,000+ NRT brokers nationwide, Diamonde comes to Elliman from Corcoran and has sold over \$500 million worth of real estate throughout Manhattan, Brooklyn and the Hamptons. He will be officially based out of Elliman's office at 111 Fifth Avenue, managed by Chris Peters and Garret Lepaw, but is also licensed in the Hamptons and will work out of the firm's Southampton office as well.

"Ronnie is a trusted and strategic broker with years of experience in both New York City and the Hamptons. His positive energy makes it obvious he loves his work," said Chris Peters, Elliman's Senior Executive Manager of Sales, 111 Fifth Avenue. "He brings a loyal client base built on referrals and he constantly delivers outstanding results for his customers. We're thrilled to have him join us at Elliman," added Garret Lepaw, Elliman's Executive Manager of Sales, 111 Fifth Avenue.

Diamonde is known throughout the industry for his keen ability to bring complex transactions to a seamless close and fulfill each client's needs with success and satisfaction, whether they are purchasing or selling an ultra-luxury or more modestly-priced co-op, condo, loft or townhouse. A long-time West Village resident, he specializes primarily in the downtown market, including SoHo, Tribeca, Battery Park, and the Financial District – where he accomplished selling 42 units at luxury condominium 1 Wall Street Court.

"I'm always focused on delivering optimal value for my clients and Elliman offers tremendous resources and tools for me to continue to nurture and grow my business," said Diamonde. "I was very drawn by the firm's powerful, global network and its unique

relationship with Knight Frank, and by its tech savvy approach to agent support. I look forward to taking the next step in my career at Douglas Elliman.”

Complementing his hugely successful residential sales career in New York City and in the Hamptons, Diamonde has a strong eye for architecture and design and has restored and redesigned several homes in Southampton Village. Recreating floor plans and interior sit-lines in the Hamptons since 2010, his specialty has been tastefully restoring old village farmhouse-style homes.

Prior to real estate, Diamonde honed his business expertise on Wall Street as a sales specialist and trader for a securities company, dealing extensively with Fortune 500 firms. A graduate of Seton Hall University with a Marketing degree, he has a natural instinct for business, finance, sales and people.
