QUINT Collection taps Douglas Elliman’s Lourdes Alatrisme and Miguel J Solis to lead Sales
Top-producing agents to oversee sales at the completed luxury waterfront townhome development in Hollywood Florida

HOLLYWOOD, FL – (March 10, 2021) – Developed by Miami-based JQ Group of Companies, QUINT Collection Hollywood announced Douglas Elliman agents Lourdes Alatrisme and Miguel J Solis will replace The Chad Carroll Team of Compass to oversee sales and marketing initiatives for the 9 remaining luxury waterfront townhomes. Joining the sales team alongside Alatrisme and Solis are Elliman agents, Mario Chirino and Fernando Rodriguez.

Comprised of 10 exquisitely designed townhomes, with a unit sold in December 2020 for \$2,495,000 by Douglas Elliman agent Craig Chassen, QUINT Collection Hollywood has 9 units remaining. With construction now complete, residents have the opportunity to move in immediately. Townhomes at Quint Collection feature 3 bedrooms and 3.5 bathroom units priced from \$2,624,000 to \$3,050,000.

“A Florida seaside setting as incredible as Hollywood coupled with the architecturally mesmerizing QUINT Collection, this project epitomizes the lifestyle buyers seek when they look to South Florida,” said Jesús Quintero, CEO and Founder of JQ Group of Companies. “QUINT Collection Hollywood is redefining luxury living and we are confident that Lourdes and Miguel’s strong client relations throughout the Northeast and in various international markets will award us a rapid sell out.”

Residents of Quint Collection Hollywood have access to their own private marina with 12 slips for boats ranging from 55’ to 100’ long with permitting ready to install lift, if desired. Nestled between the best of Miami Beach and Fort Lauderdale, QUINT offers the perfect blend of convenience and sophisticated minimalism merged with the ultimate luxury waterfront lifestyle.

“We have not seen a luxury boutique project of this caliber in the Hollywood area like the QUINT Collection. This project specifically caters to all the requirements of today’s influx of domestic buyers coming from the Northeast who are looking for privacy, luxury and the awarded backdrop of South Florida’s oceanfront,” said Lourdes Alatrisme. “QUINT Collection Hollywood is artfully designed and a stunning addition to the Hollywood coastline, we look forward to bringing a successful marketing and sales campaign for this unparalleled project,” added Miguel J Solis.

The townhomes offer unobstructed views of the Intracoastal and Atlantic Ocean, 10-foot high ceilings with floor plans ranging in size from 3,100-3,500 square feet, with terraces up to 10 feet deep and a private 2-car garage. Custom finishes include Italkraft and Gaggenau appliances, porcelain floors, glass enclosed elevator and more. Five-story residences feature a sky deck with summer kitchen, jacuzzi and entertainment area.
